PROFILE SUMMARY

Computer Science graduate (2026) with hands-on experience building Java Spring Boot applications, REST APIs, and database-driven systems. Passionate about backend engineering, scalable architectures, and solving real-world problems through software development.

TECHNICAL SKILLS

Programming: Java, Python

Backend: Spring Boot, REST APIs, Hibernate/JPA

Databases: MySQL, MongoDB

Tools: Git, GitHub, Maven, Postman

Concept: DSA, OOP, DBMS

Familiar: Docker, Microservices, Spring Security, JWT Authentication

PROJECTS

TwoSign: Real-Time Communication System for Deaf and Mute | Python, NumPy, OpenCV, TensorFlow 2026

- Built a real-time computer vision app translating sign language gestures into readable text with 90%+ recognition accuracy.
- Used TensorFlow/Keras deep learning model and OpenCV for efficient image processing with a user-friendly GUI.

URL Shortener | Java, Spring Boot, MySQL 2025

- Developed REST APIs for URL creation, retrieval, and redirection with unique short-code generation logic.
- Integrated MySQL for URL mapping storage; designed a scalable backend architecture using Spring Boot.

Gym Management System | HTML, CSS, JavaScript, MySQL 2024

- Built a management portal to track member registrations, subscription plans, and fee payment status.
- Optimized relational database queries and implemented client-side JavaScript validation for accurate data entry.

EXPERIENCE / INTERNSHIPS

Software Development Intern | IBM SkillsBuild -AICTE | Edunet Foundation June 2026 – ongoing

- Developing AI-powered applications using IBM Watsonx, Generative AI, and LangFlow on IBM Cloud platform.
- Building ML-based projects including autonomous AI agents as part of AICTE certified IBM SkillsBuild program.

EDUCATION

B.Tech in Computer Science 2022 – June 2026

IMS Engineering College, Ghaziabad | CGPA: 7.58 (75.8%)

Class XII (CBSE) 2022

Govt. Sarvodaya Boys Sr. Sec. School | 74%

Class X (CBSE) 2020

New Sainik Public School | 72.3%

CERTIFICATIONS & ACHIEVEMENTS

- Java (Basic)** | HackerRank June 2026
- SQL (Basic)** | HackerRank June 2026
- Foundations of Cybersecurity** | NASSCOM FutureSkills Prime Jan 2026
- DSA Pre-Placement Training** | Skillriser 2025
